PROGRAM

No Program this week. We were able to reflect on the BBQ/Auction. We are going to set up a manual to use each year with basic information of who was contact, how they were contacted and how the operations of the event take place. Also there was talk about an induction "banquet" for the Key Club as well as CKI. It will be more of an informal event. We will be contacting the clubs to determine more details. Also there was talk about providing snacks for the meetings.
