Dear Members,

May I please take a moment to say THANK YOU to each of you who cooked, cut potatoes, cleaned, (especially bathrooms), started and maintained the grill, transported pans to the grill and back, decorated, carved turkeys, swept floors, watched the baby, brought a coffee machine, hauled off trash, baked pies and candy, or just supported us by your presence.

Having you all support Dave and I with this first time venture is greatly appreciated. The firemen that came from the City were very grateful and gave us some ideas for a better turnout next year.

The food we had left over was packed up and sent to the Russell Home.

They were very happy to have the extra Thanksgiving Dinner.

Thank you again,

Dave Acheson / Thanksgiving Dinner, Event Chairman
