Program

This Wednesday, Lisa Gutierrez, from Camp boggy Creek, spoke to the club. Camp Boggy Creek was started by Paul Newman and is now a part of Association of Hole In The Wall Camps which offers children with illness the opportunity to go to camp with full medical services. Each week is a different illness group with 14 different groups represented. No child is left out of any activities so the activities are specific to the children that week. There is a full theater and heated pool. There is one counselor to every two children except for epilepsy in which it is one on one. As a club we want to commit a weekend to the camp in March as well as items to donate. You can visit the website at www.boggycreek.org Applications for the March weekend will be handed out in January. Background check (through Boggy Creek) and a medical history will be need prior to volunteering.
