Program

This Wednesday, we had an education program. One of our newest projects involves Engelwood Elementary. We learned about the B.U.G. program that we are going to implement later this year. The BUG program falls along the lines of an honor roll program but it specifically recognizes the students at a ceremony who have improved a failing grade to a passing grade and additional recognition for maintaining that grade. Along with the BUG certificate, there are learning posters with "bug" characters, bumper stickers, t-shirts and trinkets. We will provide snack and beverage to the award ceremony. As Kiwanians we hand out the certificates and distribute the food. We may have our ceremony at the same time of the Honor Roll ceremony.
