### **Name of Game is Fun!**

After singing God Bless America, pledging to the flag, and having a prayer, we begin our weekly Wednesday noon meeting by playing the "name game". The previous week's loser starts off by calling on a club member, stating their name and something about that member—such as occupation. That person then stands up, calls on someone else, and does likewise. The cycle continues until someone calls on a member who already has been called on or calls on a member sitting at the same table as the player. You lose \$1 by doing either of above and an additional \$1 if you do not wear your Kiwanis name tag. Money raised goes to next year's installation banquet fund. Ben Musick—KCSO member
