Name of Game is Fun!

After singing God Bless America, pledging to the flag, and having a prayer, we begin our weekly Wednesday noon meeting by playing the "name game". The previous week's loser starts off by calling on a club member, stating their name and something about that member-such as occupation. That person then stands up, calls on someone else, and does likewise. The cycle continues until someone calls on a member who already has been called on or calls on a member sitting at the same table as the player. You lose \$1 by doing either of above and an additional \$1 if you do not wear your Kiwanis name tag. Money raised goes to next year's installation banquet fund. Ben Musick—KCSO member
