## TURKEY SMOKE

- Turkey Smoke: We are expecting 550 turkeys to be smoked in two days.
  - Monday: Set-up 1pm-5pm
  - Tuesday: 7am-7pm
  - Wednesday: 7am-7pm
- Please sign up for at least one shift. There are sheets being passed around during the meetings or contact Foster or Stephen.
- Auction/BBQ – Still \$3000 out in BBQ tickets. Please turn in your money so we can get a final count on our money raised.
  - To those who helped out with the Auction, we are asking you to submit a report to create a manual for next year. Please send any notes to **Beth Locklair** at [EISLOCKLAIR@aol.com](mailto:EISLOCKLAIR@aol.com). Everyone's input is needed. We need all the details.
- Bike Build: **Thomas Kirk, Denise and Tommy Johnson** went to East Orlando Kiwanis Club at Dubstred last week presenting the Bike Build to that club. Foster recommended that we have flyers to put in the boxes at the turkey smoke.
- Community Service: One of our member's family lost their home due to fire recently. Community Services was able to provide financial assistance to help relocate the family with children. This is awesome to be able to help out one of our own families.
- Dues: 1<sup>st</sup> quarter dues are due. Remember that it has been changed to \$50 for dues and \$106 for food for a total of \$156. Senior members pay dues only and pay for meals as they come. Senior dues are for members who have been a part of the club for more than 10 years AND have requested the BOD to use this privilege. **Thank you to all who have responded so quickly!**
- Clean up office: **Beth, Foster, Marion, Stephen and Louanne** made a lot of progress in straightening the office space after Wednesday's meeting. A check for dues from "quite a while back" was found as well as \$20 in cash. Anyone want to help with the clean up next week?
- Youth Service - Great Oaks: **Thomas Kirk** took the kids from Great Oaks who had a birthday in October to Cracker Barrel for their celebration. Cracker Barrel also donated certificates for future meals. Thank you Thomas for your help. Sid Tally is our volunteer for November's birthday group.

## PROGRAM

We are in need of programs for our meetings!! Every week going forward is open for speakers. If you have anyone in mind please contact **Dave Tillman**. Maybe you have an interesting story, experience or job and would like to be our program one week. CONTACT DAVE TILLMAN.

# Sponsored Programs

- Key Club at Boone – Boone's meets on [Thursdays in room 13208 at 845am](#). Homecoming parade was last Friday, and we had seven students in the car. Ken Carlson, Art Bailey, Art's wife and Thomas Kirk also rode with the students. There were games and festivities for the kids after the parade. Support our Key Club with your attendance at meeting and/or events.
- K-Kids Lake George- October 30<sup>th</sup> , Pumpkin Bowl at Lake George Elementary is a Halloween festival for the kids. This is the first year it is solely sponsored by our K-Kids. Thomas Kirk, Tommy Johnson, Marion Hatcher, Foster Algier, Stephen Fussell and Louanne Fussell cooked burgers (with a secret seasoning) and dogs for the large crowd. The main attraction was a flag football game between the teachers. K-Kids were able to purchase their bright yellow t-shirts. Well over the estimated 120 attended this event.
- CKI at UCF - Meets every Monday at the Communication building room 210 at 6pm.
